SUBJECT

CHANGE **NOTICE** TO DEPARTMENT OF ENERGY (DOE) HANDBOOK, DOE-HDBK-1130-98

TO: Dennis Kubicki, **EH-24**

**This** memorandum forwards a change to subject DOE Technical Standard, DO-HDBK-1130-98, "*Radiological Worker Training*." The change is being made to correct an error in the header for **part** one of the handbook. The header in **part** one read "Instructor's Guide" and should have read "Program Management Guide."

A disk of the revised document in pdf format is attached. If there are any questions, please contact **Mr.** Peter O'Connell of my staff on 3-5641 or by email (Peter.O'Connell@eh.doe.gov).
